

SAMUEL TRAPSKIN

WEB DESIGN ♦ DEVELOPER

SAMTRAPSKIN@GMAIL.COM

I'm a technophile and web developer that loves design. Many describe me as efficiently expeditious when it comes to learning new skills, and creating digital media from concept. I'm ready to hit the ground running so lets collaborate.

EXPERIENCE

Total Expert 2018 - 2019

Digital Content Developer (Contracted employee)

- Convert client graphical designs into digital content for use in print, email, and social media campaigns within the Total Expert CRM.
- Creation and troubleshooting of HTML, CSS and JavaScript with the Engineering and Professional Services Media Team.
- Collaborate on process improvements to achieve improved quality, efficiency, and timeliness of the team's deliverables.

Dorsey and Whitney LLP 2011 - 2018

Media Services Producer & Audio-Visual Engineer

- Collaborated with Marketing and Partners to plan and organize logistics for live events and programs with internal and external clients.
- Lead the implementation of the Firm's new Learning Management System and designed the user interface utilizing Adobe Captivate.
- Managed the vendors, planning and maintenance of all audio and visual technologies.
